Executive Directors Address – Capt. Akhtar Modak

An address to the attendees explaining the role of Blooming Earth in the transformation at our native land. The efforts & cooperation of the people was appreciated and further sought for new projects.

The idea that is Blooming Earth – Badruddin Modak

The concept of Blooming Earth that is to 'Let Nature, Mankind and Knowledge Bloom'.

Making use of the Natural resources for the benefit of Mankind while respecting the Environment.

Blooming Earth Projects Update – Irfan Chikte

Update on Projects completed since inception, current & planned projects with the aim 'To Implement Sustainable Programs through Innovative Ideas for People Empowerment, Environmental Conservation & Restoration, Knowledge Share & Socio-Cultural Projects'.

Rural Tourism in Kokan – Akhlaque Nagothane

Taking early retirement as a teacher of 29 years & devoting time to social service. Having travelled to every corner of Kokan with his adventures being showcased in the YouTube channel 'The Kokni Mountaineer spoke about a host of opportunities for Rural Tourism in the Kokan Region.

The Women Entrepreneur – Sanaa Kazi

Experience of Ms.Sanaa Kazi in her Journey as a Woman Entrepreneur which would be an Inspiration for many women particularly from the Kokan region who chose to be Enterprising in their pursuits.

FMCG Marketing & Supply Chain – Asif Kazi

Transition from being in the field of Travel & Tourism (Hospitality Industry) which has taken a backseat in the current Pandemic to being an Entrepreneur in FMCG marketing in the Kokan region.

Innovative Solutions to Rural Healthcare – Dr. Shahnawaz Kazi

With the Healthcare Industry in the process of transformation in the Rural areas ,he spoke about the opportunities to setup Technology based Medical care products like Medical Kiosks & other innovative solutions.

My Quest with Farming – Rizwan Sawant

An urban bred man's yearning for an experience in farming, the challenges, the ecstasy and the Inspiration for others to try their hand in farming at their native land which is currently barren.

The Guidance – Col. A. Sattar Modak

An eminent personality in the field of social welfare ,medical and national service provided insights on role of NGO's in providing yeoman service to society.

The Spirit of Entrepreneurship – Mirza Afzal Baig

Founder Director of Rifa Chamber of Commerce & Industry, he has successfully implemented many Entrepreneurship programs across India & Abroad too.

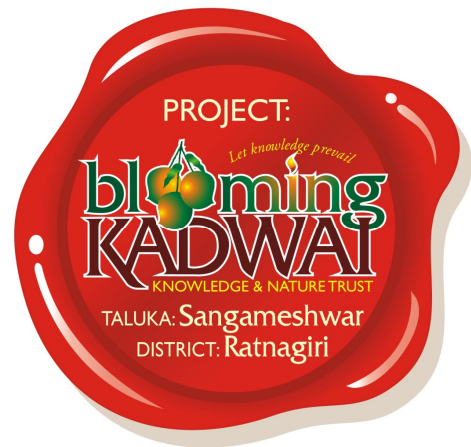

His lecture was aimed at encouraging people to engage in a Business Enterprise and the benefits from therein.

You can take the man out of the village, but you sure can't take the village out of the man !

Cultivate barren lands, make villages self-sufficient, Promote Arts n Crafts, reach education to every willing daughter & son, empower women with skills to be self-dependent, Help Indian Villages blossom.

Seeking the coming together of like-minded & like-hearted people, who can dedicate their time in the cause of mankind, People who can sacrifice, what they love the most, in the cause of betterment of villages and Nature conservation. Filling minds with the quest for Knowledge and hearts with the remembrance of the Divine.
